CUSTOM FENCING PANELS:

All of our fencing panels are manufactured to your specifications. Please use the provided tables as a guideline. Our panels are CCA pressure treated for resistance to borer, rot and fungal infections. We do advise you to coat your fencing with a suitable wood-seal or wood-coat once installation is complete. We also stock a range of hardware required for the installation of our products.

Please note that we only **supply** these Jungle Gym kits.

We have designed them to make it easier for you to install yourself.

If you are unable to install it please contact your nearest branch for a recommended installer.

All our units are supplied with the necessary hardware and instructions.

Most of the holes have been drilled for your convenience. Please see a list of required tools below:

Spade, Pencil, Level, Hammer, 17mm socket & ratchet or 17mm spanner,
something to stamp down the soil, Drill & 10x170mm Auger bit,
13mm socket or spanner if purchasing a Fireman's Pole.

CUSTOMERS PLEASE NOTE

You can also design your own jungle gym by making use of our prepacked modules. Speak to one of our friendly sales team to help you work something out that will fit in your available space

TIMBER:

We stock a range of treated S.A. pine timber suited to all your outdoor requirements. If we don't have the stock available on hand, please ask one of our friendly sales team for a lead time. Our timber is CCA pressure treated for resistance to borer, rot and fungal infections. We do advise you to coat your timber with a suitable wood-seal or wood-coat once installation is complete.
